Trophies Booklet 2022

Forward

The first recorded Dartmouth Regatta took place in July 1822, when there were 3 sailing races and one rowing race for six-oared gigs. 200 years later, 2022 saw the 176th Port of Dartmouth Royal Regatta, and we are proud to play our part in continuing the long tradition of regatta week.

Unfortunately, we have no record now of the winners of those earliest sailing races, but some of our trophies do date back to the 19th century, such as the Minima Rose Bowl and the Redwing Bowl. In recent years, loss and damage to a few trophies led us to the sad decision that we could no longer allow trophy winners to take the trophies home with them.

This led to the idea of creating a booklet to record each year's winners. We hope they will enjoy this extra memento of their success, and have included photographs taken at the prizegiving ceremonies.

It also enabled us to assemble the lists of past winners which are engraved on the trophies – not only to publicise them more widely and allow nostalgic reminiscences of past sailing exploits, but also to preserve the information in case the trophies become lost or damaged beyond repair.

This booklet – for 2022 – is the first of what will hopefully become an annual publication. To some extent it is a work in progress. As you can imagine, photographing the trophies and transcribing the past winner lists are both huge tasks, and we have concentrated this year on those trophies which were presented for the Savills Passage Race and for the 4-day Yacht and Dayboat Series. Trophy winners for the Rockfish Junior Dinghy Series are also included. In the future, we will continue to add further photographs, expand the past winner lists, and eventually to include the Pilot Financial Dinghy Series as well. Meanwhile please do let us know if you spot any errors.

We hope you enjoy looking through this booklet, and we look forward to seeing many of you at the 177th regatta in August 2023.
