

DARTMOUTH ROYAL REGATTA SAILING WEEK

Calling all Classic Yachts, and welcome back to the Services Teams

29 April 2024

Dear Friends of Dartmouth Royal Regatta Sailing Week,

Some locally based **Classic Yachts** have expressed interest in joining the 4-day Series, with a dedicated class to sail under JCH ratings. We are delighted to promote this opportunity, but we do need sufficient entries to make it viable. If you are potentially interested, please let us know by email to entries@dartmouthsailingweek.com, or by submitting your entry [here](#). (A full refund will be available if we are unable to run the class.)

We are also looking forward to welcoming back the Army, Navy and Air Force sailing teams who will again be including Dartmouth Royal Regatta in the programme of their **Services Offshore Regatta 2024**. After racing down from Cowes to Brixham, they will be joining us for the Savills Passage Race to Dartmouth on Tuesday 27th, and then competing in the 4-day Series. Meanwhile the local BRNC yachts will be back competing again – this year they will be joining the 2-day White Sail Event.

Arrangements are well underway for the **social programme** for Regatta. There will be live music at RDYC on Tuesday both before and after the Skippers' Briefing, then an acoustic set on Saturday afternoon, plus a lively party band after the Series prizegiving. All promise to be great entertainment! There will also be a warm welcome at Dartmouth YC with live music throughout the week. Also check out the [PDRR website](#) for the many and varied events in town.

Entries are now open! Information including Notices of Race is available [here](#) (or for the informal events not covered by NoRs see the [Gaffer](#) and [White Sail](#) pages). Click [here](#) for help or advice on how to enter, or [here](#) to go directly to the WebCollect online entry system. If you prefer a snail-mail entry form, they are available to download [here](#).

A reminder to yachts intending to enter the **Cruiser Class** or the **White Sail Event** – an **RYA YTC** certificate can be obtained (free of charge) from rorcrating.com/ryaytc/. If you already have a certificate, it must be renewed for 2024.

We look forward to hearing from you and to seeing many of you at Regatta in August,

With best wishes,

Peter Boote (Chair) and the JRSC Committee
