NOTICE OF RACE (NoR) YACHT & DAYBOAT SERIES Including the GBR SOUTH WEST IRC

<https://rorcrating.com>

& J111 National Championship

Issue 4 (incorporating Amendments 1-2 and General Amendment A, issued 16th July 2025)

***(Please note there is a separate Notice of Race for the stand-alone Passage Race
from Torbay to Dartmouth on Tuesday 26th August.)***

The Organising Authority implement the RYA Racing Charter and Competitors will be required to undertake to sail in compliance with the Charter which can be found at the front of the RYA rule book (Racing Rules of Sailing) and on the RYA website www.RYA.org.uk.

The notation [NP] in a rule means that a boat may not protest another boat for breaking that rule. This changes RRS 60.1.

The notation [DP] in a rule means that the penalty for breach of the rule may, at the discretion of the protest committee, be less than disqualification.

1 RULES

- 1.1 The event is governed by the rules as defined in The *Racing Rules of Sailing* (RRS)

1.2 The RRS are changed as follows:

1.2.1 RRS 60.2(a) (1) is amended – delete “if her hull length is longer than 6 metres”.

Advisory note: All boats regardless of length shall display a red flag when required.

1.2.2 RRS63 (Hearings) is amended to allow RRS Appendix T arbitration.

1.2.3 The Sailing Instructions may also change other RRS.

1.3 **IRC boats**

IRC part A, B and C shall apply (advertising permitted).

In accordance with IRC Rule 11 the following are changed:

(a) For the purposes of IRC Rule 21.1.5(d) the event is on consecutive days and the sails carried shall remain the same.

(b) IRC Rule 21.1.5 (e) is amended to “Only one mainsail may be used for the duration of the event, unless in exceptional circumstances, written permission is granted by the OA”.

(c) IRC Rule 22.4.2 is deleted and replaced by

“The maximum number of crew while racing shall be the Crew Number printed on her certificate, except that:

(i) When the crew includes either at least two females, at least two 21 years old or under, or at least one female and one 21 years old or under, then the crew limit is the certificate number plus two.

(ii) When the crew includes either one female or one 21 years old or under, then the crew limit is the certificate number plus one.

(iii) When the crew includes at least one 75 years old or over, then the crew limit is the certificate number plus one.

(iv) When the crew includes (i) and (iii) or (ii) and (iii), then the crew limit is the certificate number plus three or two respectively.

For the purposes of this Rule the persons defined above shall be the stated age on 30th August 2025. There is no weight limit.”

(d) IRC non spinnaker ratings shall not be used. (IRC Rule 8.6 refers).

(e) Single event ratings (SER) shall not be used.

1.4 **One Design classes:**

1.4.1 One Design classes racing for their own prizes and/or trophies as a separate class shall comply fully with their class rules (or as changed in compliance with RRS87).

1.4.2 Where crew weight or other checks are required, the class association shall be fully responsible for the implementation of these.

- 1.4.3 **National Squib class:** Rule C.10.2(b) shall apply, except that either spinnaker may be used, but only one spinnaker may be used in an individual race. (Change agreed by the Class Association in compliance with RRS 87.)

1.5 [NP][DP] **Boat identification:**

Advisory note: It is ESSENTIAL boats comply with RRS Appendix G (or NoR 1.5.2 if applicable) and in particular, because races are usually finished downwind, G1.3(c)(3). Boats risk not being recorded as finishers if it is not possible to easily read their spinnaker/gennaker numbers. The Race Committee may also protest boats they consider are not complying with G1.4(a) particularly with regard to contrasting colour.

- 1.5.1 In the event of damage to a sail during the event, if it is necessary to use a replacement sail with numbers differing from the boat's entry, the permission of the Race Committee shall be obtained prior to starting the race in which it may be used.
- 1.5.2 Boats permitted by their class rules to not have sail numbers on their spinnaker or gennaker shall display their sail number on a number dodger or hull number on both sides of the boat, in such a way as to be visible to the race committee when sailing downwind. The specification of the numerals and suffix letters shall be the same as those required by RRS Appendix G1.2. The number does not need to include national letters.
- 1.5.3 All boats, except National Squibs will be required to display a pennant according to their division or class on their backstay (or by any other means near the stern of the boat, if a backstay is not available), at a minimum height of 1.5m above the sheerline and of a size consistent with the type of boat. The allocation of pennants to classes/divisions will be published on the online official notice board on Saturday 23th August from the following range:

Class	Numeral pennant range
IRC	International numerals 0 to 5
J111	Naval Numeral 2
Cruiser and Dayboat	International numerals 6 to 9
Classics	Naval Numeral 1

If additional class flags are required, other naval numerals may be used.

1.6 [NP] **Safety Regulations**

- 1.6.1 Boats shall comply with World Sailing Offshore Special Regulations (WS OSR), Appendix B for Inshore Racing or their class rules regarding internal buoyancy and safety.
- 1.6.2 RRS 40.1 applies at all times when afloat to competitors in the National Squib class, open deck boats and boats not having a pulpit, stanchions and lifelines.
- 1.6.3 **Drones:** No competitor or support person shall operate a drone in or around the racing areas.

2 **SAILING INSTRUCTIONS**

Sailing instructions will be downloadable (and printable) from 15th August at www.dartmouthsailingweek.com/Race-documents . The official booklet containing the Sailing Instructions (and other useful information) will be available from noon on Monday 25th August at RDYC. Any amendments after this time will be posted on the online official notice board and signalled by flag L displayed at RDYC and Dartmouth Marina.

3 **COMMUNICATION**

- 3.1 The event will be available on the Racing Rules of Sailing App for mobile phones and tablets. The website version will be accessible via www.racingrulesofsailing.org or www.dartmouthsailingweek.com/official-noticeboard. 

Advisory Note: More information about the above App and its use can be found at www.dartmouthsailingweek.com/single/MobileApp

- 3.2 The online official notice board will be available on the above App and websites from 15th August.
- 3.3 [DP] All boats shall carry a Marine VHF radio and monitor the appropriate channel for their course area at all times while competing in the event.
- 3.4 On the water, the race committee will make broadcasts to competitors on VHF radio. The channel for a particular course area will be stated on the online notice board when classes are allocated to course areas (see NoR4.3).
- 3.5 All boats must carry a working mobile phone and advise the OA of the telephone number at time of entry. A change of number if necessary shall be notified to the OA before competing in any race.

Advisory note: The event Safety Procedures may require the use of a mobile phone because VHF ship to shore communication is limited by topography.

- 3.6 [DP] While racing from the first warning signal until the end of the last race of the day, except in an emergency, a boat shall not make voice or data transmissions and shall not receive voice or data communication that is not available to all boats. Any competitor transmissions on channels used by the race committee shall be limited to those pertaining to the race(s) taking place at the time.

4 ELIGIBILITY AND ENTRY

- 4.1 The event is open to all boats under 20m LOA.
- 4.2 The skipper of the boat shall have a minimum age of 18 years at the time of the event.
- 4.3 **Classes**
- 4.3.1 Proposed classes are defined as follows:

Class	Definition	Time correction system	Divisions	Entry as:

* See IRC Rule 8.2.1(c) – a boat shall declare the use of the secondary certificate in accordance with Rule 8.2 when entering. Rating changes after entry will only be permitted as described in NoR 4.9.

- ** YTC is the RYA Yacht Time Correction system (formerly SWYTC). Boats not yet having a 2025 YTC number should apply online at <https://rorcrating.com/ryaytc> **before entering**. This is a free of charge service but must be **renewed annually**.

Advisory note: For course setting reasons, please note entries are open to boats having a YTC of 1110 or less.

- *** Cruisers & Classic Yachts may enter to sail with or without a spinnaker and shall use that configuration and associated rating throughout the event. The OA at its discretion may create a separate non spinnaker division, else non-spinnaker boats will race against 'with spinnaker' boats in an appropriate division.

If you are unsure which type/group your boat falls into, please email info@dartmouthsailingweek.com.

Classes, divisions and course allocation will be determined immediately before the event taking into account entry numbers, the range of time correction factors and boat types. This information will be available on the online official notice board on Saturday 23rd August.

- 4.3.2 The minimum number for any class will be at the OA's discretion. Entrants will be contacted by email if there are sufficient boats of a particular design to form a one design class.
- 4.3.3 The OA reserve the right to re-allocate any boat to the most suitable class or division, e.g. Dayboats may be combined with small Cruisers according to entries and ratings.
- 4.3.4 If it is necessary to cancel a class or division, the entrant(s) will be offered the opportunity to change to another class if appropriate, or receive a full refund.

4.4 Entry

- 4.4.1 To be considered an entry in the event, a boat shall complete all registration requirements and in particular **shall have, as appropriate, an IRC or YTC rating** and pay all fees. Details on how to enter and pay are available online at www.dartmouthsailingweek.com/how-to-enter

If it is found a rating is not available by 17:00 on the day before the race requested on the entry form, the boat will not be considered an entry in that race. Entry fee refunds will only be made in exceptional circumstances.

Advisory Note: Application for a rating should be made well in advance of an online entry and the timescale advised by the Rating Authority noted.

- 4.4.2 The following dates shall apply:

Entry opens	1st February 2025
Discounted early entry closes	00:01 on 1st August
Standard entry closes	00:01 on 15th August

- 4.6 **Change of class:** A request to change class after entry (including a spinnaker/non spinnaker change) may be permitted at the discretion of the OA before 00:01 on 15th August. Thereafter a competitor-initiated change may only be permitted in exceptional circumstances.
- 4.7 **Entry cancellations:** Prior to 00:01 on 1st August a 4% administration charge (to cover payment charges) will be applied, thereafter 50% until 00:01 on 15th August. Refunds after the latter date will only be made in exceptional circumstances.
- 4.8 **Event cancellation:** If for any reason this event is cancelled, (excluding abandonment by the Race Committee), entrants will be offered the options of a full refund or to carry over their entry to 2026.
- 4.9 **[DP] Rating changes:** In the event of a rating change after an entry has been submitted, boats shall notify the OA as soon as possible and no later than 00:01 on 15th August. No alteration to a rating will be accepted after this date, except as a result of a rating protest, or to correct Rating Authority errors. Failure to notify a rating change may result in a penalty.

5 FEES

The entry fee is determined by LOA and is irrespective of the class or division a boat will be allocated to. Dates for early, standard and late entry are given in NoR 4.4.2. The **Late Entry fee** is the same as the Standard Entry fee but the late entry administration charge of £10 applies as described in NoR 4.5.

12 SCORING

12.1 Event Series

- (a) One race is required to be completed to constitute a series.
- (b) When four or fewer races have been completed, a boat's series score shall be the total of her race scores.
- (c) When more than four have been completed, a boat's series score shall be the total of her race scores excluding her worst score. This may include one of the Bay Race scores.

12.2 Event Overall Trophies (excluding GBR IRC South West Championship)

12.2.1 A boat's series score shall be used, except if one division has fewer races to count for their series score, then the lesser number of races will be used to compare the series scores of all boats in the divisions competing for the trophy i.e. one or more divisions may exclude their next worst score(s) until the races completed are equalised.

12.2.2 RRS A8.2 shall not be used. If a tie remains after the implementation of RRS A8.1, the trophy shall be shared.

12.3 GBR IRC South West Championship

The overall prize for the championship will be awarded to the boat with the lowest resultant score when the following formula is applied:

“A boat's series score divided by (the number of scored races minus one), divided by (the maximum number of boats coming to the starting area in that boat's division plus two).”

In the event of a tie the prize will be shared.

12.4 Local Trophies

Trophies designated for Royal Dart Yacht Club or Dartmouth Yacht Club boats will be awarded on the basis of the first home club declared on the entry form.

12.5 Club Team Trophy

12.5.1 Subject to sufficient entries, a club team trophy will be awarded - the 'Dartmouth Team Trophy'. A boat will be eligible if it has entered the Series before 17:00 on 26th August. A Club Team will comprise at least three and no more than five eligible boats.

- 12.5.2 Clubs are invited to nominate their team(s) by email to entries@dartmouthsailingweek.com by 12:00 on 27th August. An individual club may, subject to sufficient boat entrants, nominate up to 3 teams, or clubs may together nominate a joint club team. Otherwise, one team per club will be created automatically, based on club membership as declared on the boat's Series entry form, and will comprise their first 5 boats in order of submitting their entries.
- 12.5.3 A boat's score will be calculated according to NoR 12.1 and 12.2.1, multiplied by a Class/Division Weighting Factor (to recognise the added difficulty of achieving a particular position in a larger fleet). The Class/Division Weighting Factor for each boat will be: 10 divided by the square root of (N+17), where N is defined as the number of boats in her class/division (as at 17:00 on 26th August).
- 12.5.4 The team's score will be the sum of its lowest three boat scores. The winner will be the team with the lowest score, and in the event of a tie the trophy will be shared.

13 BERTHING

- 13.1 Harbour dues, (but not berthing fees) will be waived by Dart Harbour (the harbour authority) from Tuesday to Saturday night inclusive.
