Dartmouth Royal Regatta Sailing Week

My DARTMOUTHSAILINGWEEK Account

Dear Competitors and Friends of Dartmouth Royal Regatta Sailing Week,

Dartmouth Royal Regatta Sailing Week and the IRC Nationals is almost here and it promises to be one to remember. If entering has been sitting on your "must do" list, now's the moment: get your entry in ASAP so we can lock down the class splits and give you the closest racing possible. Enter here https://webcollect.org.uk/dartmouthsailingweek

Start Bay is ready and waiting. Expect tight racing on the water and plenty of buzz ashore each evening to keep the crew smiling long after the sails come down. And the prizes? Rather good, actually. The IRC Nationals prizes come courtesy of **North Sails**, and there are fleet trophies up for grabs alongside bottles of **gin from Salcombe Distilling** - because winning tastes even better.

A few more reasons to keep your eyes peeled:
Sail fast on Ancasta Race Day! Ancasta are laying on Jugs of Dark & Stormy for the class winners - made with **Goslings Rum** - so there's every reason to push hard for the front of the fleet.

Salcombe Gin & Tonic deliveries Thursday through Saturday - watch out for our competition announcement on each of those days for your chance to bag one.

All entries can be seen at dartmouthsailingweek.com/entries/ - **please check your entry carefully, especially your sail number and rating,** and let us know of any issues.
All race documents can be found on Race Documents page of our website.

As well as our exciting sailing programme, there is an amazing schedule of events in town and on the river, thanks to the main Port of Dartmouth Royal Regatta Committee. With so many different events and activities planned, there is something for everyone all ending with the famous firework display on Saturday 29th. Visit their website to find out more, and sign up to their newsletter, or follow them on facebook/twitter to be kept up-to-date.

Our three clubs are looking forward to welcoming competitors and their families and friends. You will be able to watch drone footage of the racing from 4 of the days spread across the week's action. There is great food available daily at Royal Dartmouth Yacht Club and Dartmouth Yacht Club daily and with live music throughout the week plus Breakfast Baps on the Terrace of RDYC from Wednesday onwards. For anyone staying in Darthaven Marina, Sara's on the Marina is a great place to grab a coffee or a quick bite.

Kind regards,
Joint Regatta Sailing Committee
