Trophies Booklet 2026

Forward

The first recorded Dartmouth Regatta took place in July 1822, when there were 3 sailing races and one rowing race for six-oared gigs. Over 200 years later, 2026 saw the 181st Port of Dartmouth Royal Regatta, and we are proud to play our part in continuing the long tradition of regatta week.

Unfortunately, we have no record now of the winners of those earliest sailing races, but some of our trophies do date back to the 19th century, such as the Minima Rose Bowl and the Redwing Bowl. In recent years, loss and damage to a few trophies led us to the sad decision that we could no longer allow trophy winners to take the trophies home with them.

This led to the idea of creating a booklet to record each year's winners. We hope they will enjoy this extra memento of their success, and have included photographs taken at the prizegiving ceremonies.

It also enabled us to assemble the lists of past winners which are engraved on the trophies – not only to publicise them more widely and allow nostalgic reminiscences of past sailing exploits, but also to preserve the information in case the trophies become lost or damaged beyond repair.

This booklet – for 2026 – is the fifth annual edition, and we continue to expand the coverage. Please do let us know if you spot any errors.

We hope you enjoy looking through this booklet, and we look forward to seeing many of you at the 182nd regatta in August 2027.
